

## CAMPUS PLACEMENT DRIVE

Macleods Pharmaceutical Ltd., organized pool campus interview for the Pharmacy students in Amravati, on 6<sup>th</sup> May 2023. Around 70 students from Institute of Pharmacy and Research, Badnera registered for the pool campus interview. Students from different colleges were present for the pool campus interview. The evaluation of students was done with preliminary MCQ test and Personal Interview. After completing personal interview 14 students from the college were selected and received initial training letter as a joining letter. Principal of the institute congratulate the students on their success and appreciate the efforts taken by Training and Placement Cell
