

CAMPUS PLACEMENT DRIVE

Neuron Institute of Applied Research, Amravati. visited to Institute of Pharmacy and Research, Badnera-Amravati., on 18th January 2024. Around 30 students registered for campus placement drive. The evaluation of students was done with preliminary screening test (around 24 students were selected), Group discussion (around 11 students were selected) and finally with Technical interview. After completing technical interview 09 students were selected and received appointment letter. Principal of the institute congratulated the students on their success and appreciated the efforts taken by training and placement department.
